MEDICAL & SPECIAL OCCASIONS

Medical Details *

All of our crew members have completed their First Aid certificates and are able to treat minor ailments. The crew are also discreet about every guest's medical condition and use this information for planning activities. Please describe any particular medical conditions that apply to any of the guests (such as heart conditions, epilepsy, diabetes and allergies). It is the responsibility of each individual in the charter party to bring along his/her own prescription and non-prescription medicines including seasickness medication.

Special Occasions *

While onboard we would like to know if there are any special occasions that you would like to celebrate, for example birthdays, anniversaries or holidays. Also advise us if you have any preferences towards not celebrating holidays that may fall within the dates of your booked charter that may not fit in with your views.
